You look at me, arms open 3 4

Bridge

I could've been six feet under  
I could've been lost forever  
Yeah I should be in that fire  
But now there's fire inside of me  
Here I am a dead man walking  
No grave gonna hold God's people  
All the weight of all our evil  
Lifted away forever free  
Who could believe, who could believe?
