Verse 1:

Grace and truth are in Your hand

The world's a drift but

Here I stand in Your Kingdom

Oh I'm living in Your Kingdom

1 2 3 4 1 2 3 4

Empty lives and empty cups

We come to Your Cross and You

Fill us up with Your Kingdom

Safe from the storm here in Your arms

Verse 2:

Every time I feel alone

I remember what You

Told me about Your Kingdom

Oh I'm living in Your Kingdom

1 2 3 4 1 2 3 4

Every time I get confused

I tell myself the

Real good news about Your Kingdom

Where else can I go now that I know

Chorus:

Jesus, You're my Fortress

You're my hiding place

You're my Home, my Home

Jesus mighty Fortress

You're the Corner stone

The solid Rock I'm living on
