

I Just Feel Like Something Good Is About To Happen

Verse 1:

I have learned in all that happens, just to
praise Him

For I know He's working all things for my good

Every tear I shed is worth all the investment

For I know He'll see me through, He said He
would

He has promised eye and ear can hardly
fathom

All the things He has in store for those who
pray

I just feel like something good is about to
happen

And, brother, it could be this very day

Verse 2:

Yes I've noticed all the bad news in the paper

And it seems like things get bleaker every day

But for this child of God it makes no difference

It's bound to get better either way

I have never been more thrilled about
tomorrow

Sunshine's always bursting through the skies
of gray

I just feel like something good is about to
happen

And, brother, it could be this very day

Chorus

I just feel like something good is about to happen

I just feel like something good is on its way

He has promised that He'd open all of Heaven

And, brother, it could happen any day

When God's people humble themselves and call on
Jesus

And they look to Heaven, expecting as they pray

I just feel like something good is about to happen

And, brother, it could be this very day
