||: F#m | E | D | A :|| (capo 3 for Bm A G D shapes)

Verse 1:

**F#m**                    **E**                    **D**  
Before I spoke a word, You were singing over me

**F#m**                    **E**                    **D**  
You have been so, so good to me

**F#m**                    **E**                    **D**  
Before I took a breath, You breathed Your life in me

**F#m**                    **E**                    **D**  
You have been so, so kind to me

Chorus:

**F#m**                    **E**                    **D**                    **A**  
(And) O, the overwhelming, never - ending, reckless love of God

**F#m7**                    **E**                    **D**                    **A**  
O, it chsaes me down, fights 'til I'm fond, leaves the ninety - nine

**F#m**                    **E**                    **D**                    **A**  
I couldn't earn it, I don't de - serve , still You give Yourself a - way

**F#m**                    **E**                    **D**                    **A**  
O, the overwhelming, never -ending, reckless love of God, yeah

Verse 2:

**F#m**                    **E**                    **D**  
When I was Your foe, still Your love fought for me

**F#m**                    **E**                    **D**  
You have been so, so good to me

**F#m**                    **E**                    **D**  
When I felt no worth, You paid it all for me

**F#m**                    **E**                    **D**  
You have been so, so kind to me

Bridge:

**F#m**    **E**  
Thre's no shadow You won't light up

**D**    **A**  
Mountain You won't climb up, coming after me

**F#m7**    **E**  
There's no wall You won't kick down

**D**    **A**  
Lie You won't tear down, coming after me
